THE STATE OF

ADDENBROOKE's HOSPITAL

IN THE

TOWN OF CAMBRIDGE,

FOR THE YEAR ENDING MICHAELMAS

MDCCXC.

A ſhort Account of the Riſe and Progreſs of this Charity.

IN the year 1719, *John Addenbrooke*, M.D. gave, by will, all his perſonal eſtate, (after debts and legacies paid), to erect, or hire, and maintain a ſmall Phyſical Hoſpital in *Cambridge*.

In *April* 1766, the Truſtees of the ſaid Hoſpital publiſhed the following ſtate of their affairs:

	£.	s.	d.
"That the purchaſe of a garden, and of divers tenements, "for the ſite of the Hoſpital, amounted to ——	817	13	3
"That there had been expended in the building, and "about the ground, —— ——	3073	8	4½
"And in furniture, —— —— ——	119	1	5
"That by the above expences, ſome great loſſes, taxes, "and law-charges, their capital was then reduced to	1804	16	4*

They then offered the houſe and furniture to the Public, and hoped, that a number of voluntary Subſcribers would be found ſufficient to carry on ſo good a deſign.

On the 26th of *May*, 1766, there was a large meeting of the principal Gentlemen of the County, Univerſity, and Town; a handſome Subſcription was entered into for the Support of a General Infirmary, a Committee appointed to prepare Rules for the Government of it, and a Treaſurer and Secretary choſen.

July the 2d, 1766, Dr. *Addenbrooke's* Truſtees offered to grant a leaſe of the houſe and ground for a long term to new Truſtees to be nominated by the Subſcribers: but upon laying this matter before the Hon. Mr. *Yorke*, he was of opinion, that the Truſtees could not extend or vary Dr. *Addenbrooke's* plan, without an act of parliament. Application was therefore made the following ſeſſion, and an act obtained "for eſtabliſh-"ing and well-governing a *General* Hoſpital, to be called ADDEN-"BROOKE's HOSPITAL, in the Town of *Cambridge*."

On the ſame 2d of *July*, it was agreed to open the Hoſpital for the reception of patients at *Michaelmas* following, and orders were given to prepare every thing for that purpoſe.

On *Monday*, *October* the 13th, 1766, the Hoſpital was opened, ſince which time the public has been regularly informed of its ſucceſs.

* 1600l. of which was veſted in the Public Funds, and the Remainder was laid out by the Truſtees for the Uſe of the Hoſpital. This Sum by ſavings from Benefactions, &c. has been ſince increaſed to 5800l.

N.B. *If any Benefactor or Subſcriber ſhall find his name or addition by any overſight omitted or miſtaken in the foregoing printed liſts, it is hoped he will be kind enough to excuſe it, and to ſignify ſuch omiſſion or miſtake to the Secretary of the Hoſpital.*

☞ It being both difficult and expenſive to procure a ſufficient ſupply of old Linen for lint and dreſſings, a large quantity of which is required for the Patients, a preſent of this kind from any friend of the Charity will always be highly acceptable.

An Abſtract of certain Rules and Orders which it may be proper to put the Contributors in mind of.

THAT there be a weekly meeting of Governors for the admiſſion of Patients, &c. which ſhall conſiſt of five at leaſt, to meet every Monday, at Eleven o'Clock, at the Hoſpital.

That all Patients who come recommended to the Hoſpital, be there before Eleven o'Clock in the Morning on Mondays, or they cannot be admitted till the week following.

That all Subſcriptions ſhall become due annually on *Michaelmas* day, to be paid in advance (to the Treaſurer) for the year following.

That no Subſcriber's recommendation ſhall be accepted, after his Subſcription is three months in arrear.*

That to all perſons whoſe Subſcriptions ſhall be three months in arrear, a monitory letter ſhall be ſent to prevent further delay of payment.

Perſons may recommend one In-Patient and two Out-Patients for every Guinea annually ſubſcribed.

No Perſons ſubſcribing leſs than five Guineas a year can have more than one Patient in the houſe at a time. Thoſe who ſubſcribe five Guineas and upwards, annually, may have two.

Perſons ſubſcribing Two Guineas or upwards, may recommend as many additional In-Patients as they think proper, paying One Guinea for every In-Patient ſo recommended, on their Admiſſion.

It is taken for granted, that every Subſcriber will continue his Subſcription till the contrary is ſignified either to the Treaſurer or Secretary of the Hoſpital by a Letter.

That every Subſcriber that ſhall be three Years or upwards in Arrear be left out of the annual Liſt.

All Pariſhes three Years or upwards in Arrear, are to be left out of the annual Liſt, and are not to be permitted to renew their Subſcriptions till their former Arrears are diſcharged.

†‡† In Conformity to the laſt two Orders 66*l*. 3*s*. has been ſtruck off from the Arrears this year.

* It is highly to be wiſhed, that the Subſcribers would particularly attend to this, as their not doing it frequently puts the weekly Meeting to the diſagreeable alternative, either of acting contrary to Rule, or running the hazard of offending a Contributor.
